## Ministry Budget 2024

People.

Doing life together.

Connecting all through Christ.

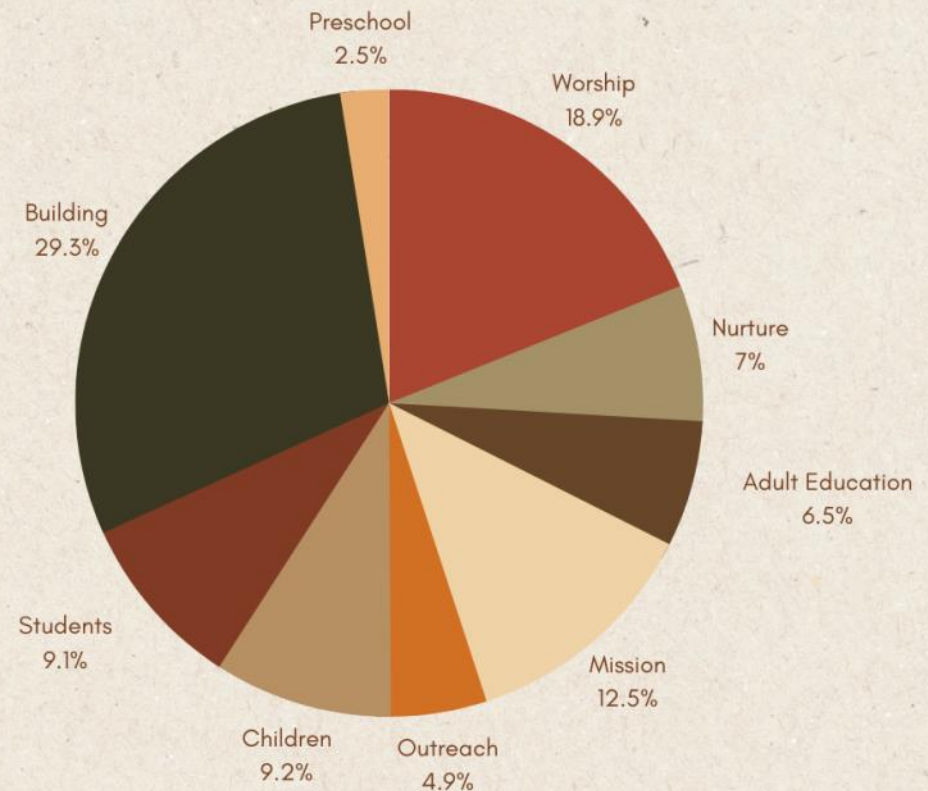

## How we use our resources is a reflection of our love.

What we value in life influences how we invest our time, talents, and resources. Jesus puts it this way: Where your treasure is, there your heart will be also (Matthew 6:21).

Stewardship is about more than making sure there are enough funds to support our church. Our giving reveals what is in our hearts.

Look through these pages and see what McKendree is about: People. Doing life together. Connecting all through Christ.

## People.

Every single person matters. Period. We invite people from all walks of life and hope they recognize that this community is home. Gifts to the church are all about people.

## Doing Life Together.

Being created in the image of a Trinity God means that we are meant for relationships. We wish that everyone could be part of a church like McKendree UMC.

## DID YOU KNOW?

Every month volunteers lead worship with Holy Communion for our Linwood neighbors.

This year we've had 4900 views of YouTube worship services. Online services are the new "front door," allowing guests to check out the McKendree welcome.

### Connecting All Through Christ.

Jesus makes several promises about how he is present, such as when two or three gather in his name or when we serve the least of these. We trust that God is present when we worship together, serve together, pray together, eat together, and do life together. That changes everything!

Lawrenceville Coop is our largest missions ministry. Last year you contributed \$21,242, gave 18,267 pounds of food, and over 1000 volunteer hours. You make it possible to love our neighbors in impactful and transformative ways.

You have packed over 355,000 meals for Rise Against Hunger
